**NOTE:** While some of our Hollow Round and Square Tubes might seem like they can fit inside one another, the only Tubes we carry that we Guarantee will marry together are our "Telescopic Tubes". All other Hollow Round and Square tubes are industry standard profiles that have not been designed to fit together.

**NOTE:** All 20' & 21' material requires a minimum order weight of 22 lb per item.

**FINISHES:** AN-Anodized, ML-Mill
